About us

Amstel Safaris (U) Limited is a premier transportation, mobility, and destination management company headquartered in Kampala, Uganda, serving clients across Uganda and the East African region.

We specialize in the provision of executive transportation, luxury vehicle hire, chauffeur-driven services, airport transfers, conference and event transportation, safari mobility solutions, corporate travel management, and logistics support services.

Our Vision

To become East Africa's most trusted and preferred provider of premium transportation, mobility, logistics, and destination management solutions through service excellence, innovation, and professionalism.

Our Mission

To provide safe, reliable, comfortable, and professionally managed transportation and mobility solutions that exceed client expectations while creating value for our customers, employees, partners, and communities.

Our Core Values

- Professionalism
- Safety
- Reliability
- Excellence
- Customer Focus
- Integrity.
- Innovation
- Teamwork

Why Choose Us ? ---

- ☑ **A Trusted Partner for Transportation Excellence**
Choosing the right transportation partner is critical to the success of any journey, project, event, or business operation. At Amstel Safaris, we combine experience, professionalism, and operational excellence to deliver transportation solutions that consistently exceed expectations.
- ☑ **Modern and Diverse Fleet**
Our fleet comprises economy vehicles, executive sedans, luxury SUVs, VIP vans, safari vehicles, buses, coaches, and logistics trucks, ensuring that we can accommodate every transportation requirement.
- ☑ **Professional Chauffeurs**
Our drivers are carefully selected, professionally trained, licensed, and experienced in providing safe, courteous, and confidential transportation services.
- ☑ **24-Hour Operations**
We operate around the clock to support airport transfers, emergency transportation requirements, VIP movements, and business travel needs.
- ☑ **24/7 Customer Support & Operations Centre**
we provide round-the-clock call center support and operational assistance to ensure seamless transportation services at all times. Our dedicated team monitors bookings, airport arrivals, vehicle movements, and client requests 24 hours., ensuring prompt response and efficient coordination.
- ☑ **Fully Insured Fleet**
All our vehicles are comprehensively insured and maintained to the highest industry standards.
- ☑ **GPS Tracking and Fleet Monitoring system**
Our vehicles are equipped with tracking and monitoring systems that enhance safety, security, accountability, and operational efficiency.

- ✓ **Nationwide Coverage**
Our services extend throughout Uganda, including major cities, national parks, tourism destinations, project sites, and remote operational areas.
- ✓ **Regional Operations Across East Africa**
We facilitate transportation services and cross-border travel throughout Uganda, Kenya, Tanzania, Rwanda, South Sudan, and other East African destinations.
- ✓ **Safety and Compliance**
We adhere to strict operational procedures, vehicle maintenance schedules, and safety standards to ensure peace of mind for our clients.
- ✓ **Tailor-Made Transportation Solutions**
Every client is unique. We design customized transportation packages based on specific requirements, budgets, and operational objectives.
